YOUR PAINTING PARTNER

Health and Safety

Health and Safety is number one priority at Stonesby.

We have a Health and Safety partner who monitor our health and safety procedures and work hard to constantly improve them. We have a health and safety record to be proud of and all the required systems and processes in place to enable us to plan, monitor, communicate and review our management of health and safety.

Design Service

Stonesby is able to offer a complete design and specification service and works closely with the UK's leading paint manufacturers to ensure that all solutions are guaranteed.

Long-term relationships

Our aim is to deliver all projects to the agreed budget and timetable, and to exceed the standard of quality and objectives expected by our Clients. We aim also to deliver excellent customer satisfaction and, through our Customer Care Policy, monitor and improve our performance

Organisation & Efficiency

SO WHAT IS IT THAT SETS US APART FROM THE REST OF THE INDUSTRY?

Well, a good, fast service should be taken as read, but our core strength and the key to our success is organisation and efficiency. We have been established since 2009 and our back office expertise is second to none, ensuring the right operative is matched to each job.

Operatives are fully briefed on all elements of the job in hand and are properly equipped and trained to ensure a successful outcome. Getting it right first time, every time is our aim.

Each customer has different expectations and requirements, so our job is to listen, interpret and work with you to find optimum solutions. Our business ethic is to build strong working relationships with customers over a long period of time.
